A large part of our Morris Chairs for the coming holiday season is now here. Every chair except our \$4.95 chair is a new one. Our buyers, before they bought our new fall line, visited every factory's sample line, and we say unequivocally that we've got the finest finished, best designed, prettiest upholstered line of Morris Chairs ever shown anywhere. The prices are revelations for fine goods, and we honestly say that the chairs we show you for \$10.00, \$12.00 and \$15.00 are the equals of chairs heretofore shown for \$25.00 and thereabouts in price.

We will cheerfully store any of these chairs and deliver them during the holidays for you.
